Congregate and Home-Delivered Meals – RFP HSS 11-065

The Request for Proposals for Congregate and Home Delivered Meals, RFP No. HSS–11-065, is being withdrawn and no bids will be accepted in response to this RFP. This is necessary in order to incorporate new dietary guidelines recently issued by the Administration on Aging. A new RFP will be issued in the future that will incorporate these new dietary requirements as mandated by the Older Americans Act.
